Fao my current provider: - this form is to notify you that I (representing the customer shown below) have taken the decision to move my Telephony services to Megganet and require the telephone number and associated services to be transferred/ported across to Megganet.

My new Provider is authorised to act on my behalf in this matter & you have my authority to disclose to my new Provider (at their request) any other service or site-specific details they might need to allow this port to proceed (e.g., Site/Billing address post code, Main Billing Number, etc.).

I recognise that it is my responsibility to arrange the cessation of, or changes to, any other services provided by my current Provider.
